

St Francis Xavier Enrichment Plan 2023 2024

It is our aim at St Francis Xavier Catholic Primary School, that each child is taught an ambitious, broad and balanced curriculum. At St Francis Xavier, we promote the personal and character development of all children through a wide and rich set of experiences. The opportunities offered go beyond the expected and is of high quality. The planned quality experiences enhance the quality curriculum on offer. At St Francis Xavier School we have a rich and diverse Catholic Life programme; we believe our faith permeates all we do for and with our children. Prayer, Sacramental Preparation, the lives of the Saints, SMSVC and Collective Worship are all active elements of Catholic Life. We follow the Catholic Schools Pupil Profile. We work together across all phases of the school to look at the values that come from the Gospel and teachings of Jesus. Each half term the whole school focus on one pair of words; we spend time reflecting on the meaning of the words; how we see these values in action in our lives and in the lives of others and how we can work to encapsulate these values in our lives. All classes discuss the meaning of these words at an age appropriate level; during whole school assemblies and Masses we will consider what they mean and will take time to reflect, quietly and peacefully, together so that we can listen carefully and try to hear the inner callings of our hearts. Teaching about British Values is incorporated into the focus on the Catholic School Pupil Profile and is also taught explicitly during Assemblies and PSHE lessons. The values focused on each half term are linked to our school reward system as children are awarded certificates weekly during a whole school assembly for demonstrating these values in their classrooms, around the school and in the local community.

Term/Date Autumn term	Enrichment plan	Curriculum area	Year groups
