Dear Parents/Carers,

We have been working to get home learning running after beginning with projects and giving you class email addresses, so that learning can be sent to and messages are responded to. In moving forward, we would like to find out more about your needs and what you are able to do with home learning. To help us with this, please could you complete the short survey online. It is really important that we know your views and needs so that we can plan future learning.

Best wishes,
