

ST FRANCIS XAVIER CATHOLIC PRIMARY SCHOOL

PE AND SPORT PREMIUM 2016 - 2017

Primary PE and Sport Premium Awarded

Sports Premium 2016-2017:

The PE and sport premium is designed to help primary schools improve the quality of the PE and sports activities they offer their pupils.

At St Francis Xavier, we have used our allocation to fund Miss Turton, sports coach, to increase pupil participation in school sports at lunchtime and after school and to support the quality teaching of P.E.

Summary of SFX PE and Sport Premium 2016-2017

Objectives of spending sports premium:

1. To increase the number of sports available to children of all ages, but with a focus on KS1.
2. To increase participation and success in competitive school sports.
3. To increase number of non-team sports to appeal to children who prefer individual sports.
4. To train and develop sports leaders from year 5/6 to help encourage participation in sporting activities in both KS1 and KS2.

Action plan and impact of 2016-2017 PE and Sport Premium

Objective	Action Plan	Costing	Impact
To increase the number of sports available to children of all ages, but with a focus on KS1.	<p>Number of sporting activities available to be increased during/after the school day. Sports leaders to help sports coach in establishing KS1/2 sports clubs/inter-house competitions.</p> <p>Implement fun activities at lunch times to help improve KS1 sports skills, gradually developing into competitive games.</p> <p>Currently in KS1, 56% of children are physically active, with 43% of the pupil premium also active.</p> <p>In KS2, 69% of children are physically active, with 57% of pupil premium children also active. Look to increase activity of non-pupil and pupil premium children to over 85%.</p> <p>Introduce 'zones' to playground at lunch time to encourage active play, improve behaviour and encourage personal, social and emotional development.</p>	<p>Cost of sports coach</p> <p>Sports resources / equipment £250</p>	<p>Additional afterschool sports clubs being provided by School Sports Plus: new sports such as archery, dodgeball, handball being offered to children. So far, 100% take-up of places offered to children in KS1/2.</p> <p>Fundamental skills through sport coach and play-pals has increased participation of KS1 children by 25% currently.</p> <p>Use of dodgeball within the school has greatly increased the number of children physically active in the KS2 playground - currently levels of participation for have risen from 20% to 89%. Additionally, engaging our PP children with a rise of 22% physically active (79%).</p>

<p>To increase participation and success in competitive school sports.</p>	<p>School to enter into both KS1 and KS2 Sandwell school's competitions. Weekly inter-house sports competitions run by the sports coach and sports leaders (basketball, bench-ball, netball, dodgeball etc.).</p> <p>Increase number of inter-school friendly matches, initially within the MAC. Look to increase competition levels by an additional 50% on last year 15-16 (4 additional competition entries).</p>	<p>Cost of sports coach</p> <p>Cost of competition entry and transport £350</p>	<p>Year 5-6 sports day arranged within between MAC schools (22nd June 17) Competitions currently at similar level to last year, but with summer term 50% increase should be achieved.</p>
<p>To increase number of non-team sports to appeal to children who prefer individual sports.</p>	<p>Encourage those, who don't normally engage in team sports, to participate in sports such as: gymnastics, tri-golf, dance, multi-skills, dodgeball, skipping. Hard to reach children in KS1/KS2 to increase participation by 25%.</p> <p>In KS1 currently, 41% of children are not physically active and KS2 31% not active. Through the use of play-pals (KS1) and sports coach (KS1/2) look to decrease this figure initially by 20%-30%. Monitor through student questionnaires.</p>	<p>Cost of sports coach</p>	<p>Additional resources such as dodgeballs, skipping ropes etc. have helped to target the children that normally would be hard to reach.</p> <p>Currently, through use of dodgeball we have seen a slight increase of 10% of hard to reach children participating.</p> <p>KS1 participation levels have increased 25% due to play-pals and sports coach.</p> <p>95% of KS1 children 'strongly agreed' that physical at break/lunch times is important. 98% of KS2 children 'strongly agreed' that physical at break/lunch times is</p>
<p>To train and develop sports leaders from year 5/6 to help encourage participation in sporting activities.</p>	<p>Training will be sourced via Sandwell school sports network (Wood Green Academy), who will come in and develop young sports leaders to enable them to lead and work alongside the school's sports coach.</p> <p>Development of leadership skills and teamwork - lead by sports coach & PE subject leader.</p>	<p>Cost of sports coach</p> <p>Release time for PE subject leader</p>	<p>Play-pals for KS1 have been effective in engaging hard to reach children by helping them access physical activities, alongside encouraging them to participate. KS1 participation levels increased by 25% (15 children).</p>
<p>Development PE subject leader's knowledge and contacts</p>	<p>Dance desk network.</p>	<p>£650 SLA</p> <p>Release time for PE leader</p>	<p>Subject leader's knowledge continuously developing through use of the network.</p>

<p>To enhance children's health, fitness and wellbeing - cyber coach subscription.</p>	<p>Cyber coach subscription to help aid the teaching of fitness, dance, gymnastics, alongside the teacher and the sports coach. To increase children's fitness across the school from year 1-6. Baselines of children to be undertaken by all members of teaching staff.</p> <p>Monitoring of PE fitness lessons by PE subject leader. Additional monitoring through student questionnaires.</p>	<p>£250</p> <p>Release time for PE leader</p>	<p>Increase in fitness within each year group, due to weekly fitness session that have an emphasis of health and wellbeing. 85% of children when surveyed saw the importance of health being very important, alongside a healthy lifestyle. 80% participate in at least 2 hours of physical activity outside of school currently.</p>
