

St Francis Xavier Catholic Primary School

COVID-19: Checklist & Risk Assessment for use of school premises in
January 2022

Schools Safety Guide & Risk Assessment

Document title	COVID 19 – Checklist and Risk Assessment for full reopening of school premises: September 2021		
Owner	St Francis Xavier Catholic Primary School – Mrs J Downes		
Status	Live	Version	3
Last updated	September 2021 (Previous 2020 RA)	Last updated	January 2022 – changes are highlighted in yellow (Previous 2020 RA)
Review date	September 2021	Last updated by	Mrs J Downes
Purpose	To give schools SLT direction, guidance and advise on how to ensure schools are safely re-opened following the move to step 4 in December 2021		

Constituent academy to which this policy relates:

Our Lady of Fatima Catholic Primary School

Our Lady and St Hubert's Catholic Primary School

St Ambrose Catholic Primary School

St Francis Xavier Catholic Primary School

St Gregory's Catholic Primary School

St Mary's Catholic Primary School

St Joseph's Catholic Primary School

St Philip's Catholic Primary School

St Wulstan's Catholic Primary School

Hagley Catholic High School

What are the significant hazard?	Who might be harmed?	Control measures in use	Residual risk rating H / M / L	Action Required (including by whom and when)
Inadequate information : Awareness of policies and procedures	Staff Pupils Others	<ul style="list-style-type: none"> • All staff, parents, governors, visitors and volunteers are aware of all relevant policies and procedures. • All staff have access to all relevant guidance and legislation including, but not limited to, the following: • The Reporting of Injuries, Diseases and Dangerous Occurrences Regulations (RIDDOR) 2013 • The Health Protection (Notification) Regulations 2010 • Public Health England (PHE) (2017) ‘Health protection in schools and other childcare facilities’ • DfE and PHE (2020) ‘COVID-19: guidance for educational settings’ • The relevant staff receive any necessary training that helps minimise the spread of infection, e.g. infection control training. • The school keeps up-to-date with advice issued by, but not limited to, the following: <ul style="list-style-type: none"> • DfE • NHS • Department for Health and Social Care • United Kingdom Health Security Agency (UKHSA) • Local Public Health • Staff are made aware of the school’s infection control procedures in relation to coronavirus via email or staff meetings and contact the school as soon as possible if they believe they may have been exposed to coronavirus. • Parents are made aware of the school’s infection control procedures in relation to coronavirus via letter and social media – they are informed that they must contact the school as soon as possible if they believe their child has been exposed to coronavirus. • Pupils are made aware of the need to tell a member of staff if they feel unwell. 	MED	<p>Ensure all stakeholders (Staff, parents and pupils) are fully informed of control measures, policies and safety procedures</p> <p>JD 14.12.21</p>
Infection control: Disruption to the running of the school in	Staff Pupils Others	<ul style="list-style-type: none"> • The school has an up-to-date Business Continuity Plan in place – the plan is reviewed as necessary. • The school adheres to and keeps up-to-date with the latest local and national advice about school closures – advice is sought from the local HPT or DfE helpline where required. 	MED	<p>JD 14.12.21</p>

cases of local outbreak		<ul style="list-style-type: none"> Follow Government advice and follow any instructions Schools should have contingency plans outlining how they would operate if the number of positive cases substantially increases in the school or local area. Principles of managing local outbreaks of COVID-19 in education and childcare settings are described in the <u>contingency framework</u>. School will follow director of public health advice in cases of local outbreak. Schools put into place any actions or precautions advised by their local HPT. 		
New Omicron Variant	Staff Pupils	<ul style="list-style-type: none"> School leaders are best placed to determine the workforce required to meet the needs of their pupils. The government is no longer advising people to work from home if they can. 	MED	20.01.2022
School Holiday	Staff Pupils	<ul style="list-style-type: none"> The DfE asks that schools encourage pupils to test over the holidays in line with national guidance. This means that they should test if they will be in a high-risk situation that day and before visiting people who are at higher risk of severe illness if they get COVID-19. 	MED	14.12.21
Infection Control: Use of Transport	Staff Pupils Others	<ul style="list-style-type: none"> From 27 January, staff and pupils should follow https://www.gov.uk/government/publications/face-coverings-when-to-wear-one-and-how-to-make-your-own outside of school, including on transport to and from school. It is important to ensure vehicles are well ventilated when occupied, by opening windows and ceiling vents. The need for increased ventilation while maintaining a comfortable temperature should be balanced. On dedicated transport: It is no longer recommended maximising distance and minimising mixing, but unnecessary risks such as overcrowding should be minimised. Children, young people and adults should follow United Kingdom Health Security Agency (UKHSA) advice on when to self-isolate and what to do. They should not board dedicated transport or public transport if they have symptoms or other reasons requiring them to stay at home due to the risk of them passing on COVID-19. If a child or young person develops COVID-19 symptoms, however mild, while at school, they will be sent home. They should avoid using public transport and, wherever possible, be collected by a member of their family or household. In exceptional circumstances, if parents or carers cannot arrange to have their child collected, and it is age-appropriate and safe to do so, the child should walk, cycle or scoot home. If this is not possible, alternative 	MED	20.01.2022

		<p>arrangements may need to be organised by the school.</p> <ul style="list-style-type: none"> • More information on organising transport for children with symptoms is provided at guidance on the use of PPE in education, childcare and children's social care settings. 		
Infection Control: Cleaning of school	Staff Pupils Others	<ul style="list-style-type: none"> • All hard surfaces to be cleaned on a regular basis, this will include <ul style="list-style-type: none"> ➢ All door handles ➢ All tables and chairs used by staff and pupils ➢ Toilet flushes and regular cleaning of toilets. • All classrooms to have spray disinfectant and where possible disposable cloths. If disposable cloths are not available use once and then put in wash. • Regular cleaning of surfaces will reduce the risk of spreading the virus. • All used cloths thrown away to be double bagged and then placed in a secure area i.e. lockable bin. 	MED	<p>Lunchtime cleaning required. Enhanced cleaning as and when necessary</p> <p>JD / Vice Principal / NS (Site Manager / Cleaners</p> <p>14.12.21</p>
Infection Control: Ventilation class/office	Pupils Staff	<ul style="list-style-type: none"> • Identify any poorly ventilated spaces and take steps to improve fresh air flow • If mechanical ventilation systems are used to draw fresh air or extract air from a room these should be adjusted to increase the ventilation rate wherever possible • Ensure that mechanical ventilation systems only circulate fresh outside air and where this is not possible, in a single room supplement with an outdoor air supply • Where appropriate open external windows, internal doors and external doors to improve natural ventilation • If external doors are opened, ensure that they are not fire doors and are safe to do so 	MED	<p>Ensure windows in all classrooms can open fully</p> <p>Install DfE CO2 monitor on arrival and check levels in classrooms and hall</p> <p>JD / Vice Principal / NS Site Manager</p> <p>All staff</p> <p>14.12.21</p>

<p>Ill Health: Poor hygiene practice</p>	<p>Staff Pupils Others</p>	<ul style="list-style-type: none"> You should continue to ensure that children clean their hands regularly, this can be done with soap and water or hand sanitiser Staff and visitors are encouraged to wash their hands with soap or alcohol-based sanitiser (that contains no less than 60% alcohol) and follow infection control procedures in accordance with the DfE and PHE's guidance. Sufficient amounts of soap (or hand sanitiser where applicable), clean water and paper towels are supplied in all toilets and kitchen areas. Pupils are supervised by staff when washing their hands to ensure it is done correctly, where necessary. Pupils are discouraged from sharing cutlery, cups or food. All cutlery and cups are thoroughly cleaned before and after use. Cleaners to carry out daily, thorough cleaning that follows national guidance and is compliant with the COSHH Policy and the Health and Safety Policy. A senior member of staff arranges enhanced cleaning to be undertaken where required – advice about enhanced cleaning protocols is sought from the HPT/PHE 	<p>MED</p>	<p>Regular hand washing in all year groups and signage in school to encourage hand washing and good hygiene</p> <p>JD / Vice Principal / NS (Site Manager)</p> <p>All staff</p> <p>20.01.2022</p>
<p>Lack of infection control: Spread of infection</p>	<p>Staff Pupils Others</p>	<ul style="list-style-type: none"> Spillages of bodily fluids, e.g. respiratory and nasal discharges, are cleaned up immediately in line with guidance, using PPE at all times. Parents are informed not to bring their children to school or on the school premises if they show signs of being unwell and believe they have been exposed to coronavirus. Staff and pupils do not return to school before the minimum recommended exclusion period (or the 'self-isolation' period) has passed, in line with national guidance. Pupils who are unwell are not taken on school trips or permitted to enter public areas used for teaching, e.g. swimming pools. Parents notify the school if their child has an impaired immune system or a medical condition that means they are vulnerable to infections. The school in liaison with individuals' medical professionals where necessary, reviews the needs of pupils who are vulnerable to infections. Any additional provisions for pupils who are vulnerable to infections are put in place by the headteacher, in liaison with the pupil's parents where necessary. 	<p>MED</p>	<p>Ensure all stakeholders (Staff, parents and pupils) are fully informed of control measures, policies and safety procedures</p> <p>JD / Vice Principal / NS (Site Manager)</p> <p>All staff</p> <p>14.12.21</p>
<p>Infection control: Classroom management</p>	<p>Pupils Staff</p>	<ul style="list-style-type: none"> It is no longer required for forward facing tables etc however care should still be taken on table management in a classroom setting. Outbreak management plans should cover the possibility of reintroduction of restrictions on mixing for a temporary period in case of local outbreak. https://www.gov.uk/government/publications/coronaviruscovid-19-local-restrictions-in-education-and-childcaresettings/contingency-framework-education-andchildcare-settings It would be sensible to revert back to previous control measures in the event of a local outbreak. Continue to use a cautious approach with arrangements 	<p>MED</p>	<p>Ensure Outbreak Management Plan is up-to-date and fit for purpose</p> <p>JD / Vice Principal / NS (Site Manager)</p> <p>All staff</p>

				14.12.21
Infection control: Assemblies	Pupils Staff	<ul style="list-style-type: none"> There are no restrictions in place for holding assemblies and singing in the school hall. 	MED	<p>Continue gradual reintroduction of assemblies – Key Stage assemblies in first instance</p> <p>JD / Vice Principal</p> <p>20.01.2022</p>
Infection control: Lunchtimes	Pupils Staff	<ul style="list-style-type: none"> Lunchtime arrangements can revert back to previous arrangements. Tables must still be cleaned on a regular basis throughout dinner time activities. 	MED	<p>Revised lunch time rota and schedule in place</p> <p>JD / Vice Principal</p> <p>14.12.21</p>
Infection control: Playtime and using equipment	Pupils Staff	<ul style="list-style-type: none"> Previous playtimes and groups can be reinstated and no restrictions in place regarding using and sharing play equipment. 	MED	<p>Revised break time rota and schedule in place</p> <p>JD / Vice Principal</p> <p>All staff</p> <p>14.12.21</p>
Infection control: Personal Protective Equipment Face Coverings	Pupils Staff	<ul style="list-style-type: none"> From 20 January, face coverings are no longer advised for pupils, staff and visitors in classrooms. From 27 January, face coverings are no longer advised for pupils, staff and visitors in communal areas. From 27 January, staff and pupils should follow https://www.gov.uk/government/publications/face-coverings face-coverings-when-to-wear-one-and-how-to-make-your-own outside of school, including on transport to and from school. No pupil should be denied education if they are not wearing a face covering. Face coverings do not need to be worn outdoors. It is recommended that they are worn in enclosed and crowded spaces where you may come into contact with people you don't normally meet. This includes public transport and 	MED	<p>Face coverings still advised for large communal events e.g. parents' evenings etc</p> <p>All staff</p> <p>20.01.2022</p>

		<p>dedicated transport to school.”</p> <ul style="list-style-type: none"> • School will follow director of Local Public Health advice in cases of local outbreak. • Schools put into place any actions or precautions advised by their local HPT. 		
Coronavirus Symptoms: Ill Health	Staff Pupils Others	<ul style="list-style-type: none"> • Staff are informed of the symptoms of possible coronavirus infection, e.g. a cough, loss or change to sense of smell or taste and high temperature and are kept up-to-date with national guidance about the signs, symptoms and transmission of coronavirus. • Any pupil or member of staff who displays signs of being unwell, such as having a cough, fever or a loss or change to their sense of smell or taste, and believes they have been exposed to coronavirus, is immediately taken out of the class and placed in an area where they will not come into contact with others and are supervised at all times. • For pupils the relevant member of staff calls for emergency assistance immediately if pupils’ symptoms worsen. • The parents of unwell pupils are informed as soon as possible of the situation by a relevant member of staff. • Where contact with a pupil’s parents cannot be made, appropriate procedures are followed in accordance with those outlined in governmental guidance. • Unwell pupils who are waiting to go home are kept in an area where they can be at least two metres away from others. • Areas used by unwell staff and pupils who need to go home are appropriately cleaned once vacated, using a disinfectant and care to be taken when cleaning all hard surfaces. • If unwell pupils and staff are waiting to go home, they are instructed to use different toilets to the rest of the school to minimise the spread of infection. • Any pupils who display signs of infection are taken home immediately, or as soon as practicable, by their parents – the parents are advised to contact NHS 111 immediately or call 999 if the pupil becomes seriously ill or their life is at risk. • Any members of staff who display signs of infection are sent home immediately and are advised to contact NHS 111 immediately or call 999 if they become seriously ill or their life is at risk. • Any medication given to ease the unwell individual’s symptoms, e.g. Paracetamol, is administered in accordance with the Administering Medications Policy. 	MED	<p>Clear communication on symptoms and expectations regarding illness and procedures if children are unwell</p> <p>All staff</p> <p>14.12.21</p>
Infection control: Primary School Pupils Autumn Term Asymptomatic testing	Pupils Staff	<ul style="list-style-type: none"> • There is no need for primary age pupils (those in year 6 and below) to test over the summer period. • No testing is required of Primary age children • Staff should undertake twice weekly home tests whenever they are on site until the end of next term when this will be reviewed 	MED	<p>Staff only to continue testing regime</p> <p>All staff</p> <p>14.12.21</p>
PCR Test Kits	Pupils	<ul style="list-style-type: none"> • To be offered only to individuals who have symptoms of COVID-19 and in exceptional circumstances when they may not be able to access testing by the usual routes. 	MED	<p>All staff</p> <p>14.12.21</p>

	Staff	<ul style="list-style-type: none"> Parents/carers should administer tests to those age 11 and under. If providing PCR tests to pupils aged 16 or under, the parents and guardians must be informed. Individuals should not enter premises to collect a PCR kit. 		
New Variant of Concern – Omicron	Staff	<ul style="list-style-type: none"> All individuals who have been identified as a close contact of a suspected or confirmed case of the Omicron variant of COVID-19, irrespective of vaccination status and age, will be contacted directly and required to self-isolate immediately and asked to book a PCR test. They will be informed by the local health protection team or NHS Test and Trace if they fall into this category and provided details about self-isolation. 	MED	All staff 14.12.21
	Pupils			
Others				
Visitors to schools	Visitors	<ul style="list-style-type: none"> Settings are strongly encouraged to ask parents, guardians and other visitors to take a lateral flow device (LFD) test before entering the setting. 	MED	JD/SLT 14.12.21
	Contractors			
Infection control: Positive Cases	Pupils	<ul style="list-style-type: none"> As of Tuesday 14 December, all contacts of someone with a positive case of COVID-19 – whether Omicron or not – should take an LFD test every day for 7 days. This includes all adults who are fully vaccinated and children aged 5-18 years and 6 months. Daily testing by close contacts will help to slow the spread of COVID-19 without meaning people have to isolate. Pupils with SEND identified as close contacts should be supported by their school and their families to agree the most appropriate route for testing including, where appropriate, additional support to assist swabbing. For further information please see SEND guidance. Monday 17th January 2022: Further information is available Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection - GOV.UK (www.gov.uk). 18-year-olds are treated in the same way as children until 6 months after their 18th birthday, to allow them the opportunity to get fully vaccinated. At which point, they will be subject to the same rules as adults and so if they choose not to get vaccinated, they will need to self-isolate if identified as a close contact. School no longer need to do contact tracing as close contacts will be identified via NHS Test and Trace. School will support NHS Test and Trace when required to help identify close contacts. Children under 5 years who are identified as close contacts are exempt from self-isolation and do not need to take part in daily testing of close contacts. They are advised to take a PCR test if the positive case is in their household. Continue to have a role in working with health protection teams in the case of a local outbreak. If there is an outbreak in a setting or if central government offers the area an enhanced response package, a director of United Kingdom Health Security Agency (UKHSA) or Local Public Health might advise a setting to temporarily reintroduce some control measures. 	MED	Staff and parents informed of routines and arrangements regarding contact tracing and isolation JD / AB (Vice Principal) All staff 14.12.21
	Staff			

		<ul style="list-style-type: none"> With a positive lateral flow test result should self-isolate in line with the stay at home guidance Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection - GOV.UK (www.gov.uk). 		
<p>Lack of infection control: Poor management of infectious diseases</p>	<p>Staff Pupils Others</p>	<ul style="list-style-type: none"> Staff are instructed to monitor themselves and others and look out for similar symptoms if a pupil or staff member has been sent home with suspected coronavirus. Staff are vigilant and report concerns about their own, a colleague's or a pupil's symptoms to the Headteacher or SLT as soon as possible. The school is consistent in its approach to the management of suspected and confirmed cases of coronavirus. The school is informed by pupils' parents when pupils return to school after having coronavirus – the school informs the relevant staff. Staff inform the Headteacher when they plan to return to work after having coronavirus. A nominated person monitors the cleaning standards of school cleaning contractors and discusses any additional measures required with regards to managing the spread of coronavirus. <p>Contingency framework: education and childcare settings (publishing.service.gov.uk)</p> <p>The thresholds, detailed below, can be used by settings as an indication for when to seek United Kingdom Health Security Agency (UKHSA) or Local Public Health advice if they are concerned.</p> <p>For most education and childcare settings, whichever of these thresholds is reached first:</p> <ul style="list-style-type: none"> ➤ 5 children, pupils, students or staff, who are likely to have mixed closely, test positive for COVID-19 within a 10-day period: or ➤ 10% of children, pupils, students or staff who are likely to have mixed closely test positive for COVID-19 within a 10-day period <ul style="list-style-type: none"> For special schools, residential settings, and settings that operate with 20 or fewer children, pupils, students and staff at any one time: All settings should seek United Kingdom Health Security Agency (UKHSA) or Local Public Health advice if a pupil, student, child or staff member is admitted to hospital with COVID-19 by phoning the DfE helpline (0800 046 8687, option 1), or in line with other local arrangements. Hospitalisation could indicate increased severity of illness or a new variant of concern. Local Public Health support in managing risk assessments and communicating with staff and parents. Settings may wish to seek additional United Kingdom Health Security Agency (UKHSA) or Local Public Health advice if they are concerned about transmission in the setting. 	<p>MED</p>	<p>Clear communication on symptoms and expectations regarding illness and procedures if children are unwell</p> <p>All staff</p> <p>14.12.21</p>

<p>Unsafe Practices: Lack of communication</p>	<p>Staff Pupils Others</p>	<ul style="list-style-type: none"> • The school staff reports immediately to the headteacher about any cases of suspected coronavirus, even if they are unsure. • The headteacher contacts the local HPT or follows the advice given from and discusses if any further action needs to be taken. • Schools put into place any actions or precautions advised by their local HPT. • Schools keep staff and parents adequately updated about any changes to infection control procedures as necessary. 	<p>MED</p>	<p>Clear communication on symptoms and expectations regarding illness and procedures if children are unwell</p> <p>All staff</p> <p>14.12.21</p>
<p>Travel and quarantine</p>	<p>Staff Pupils Others</p>	<ul style="list-style-type: none"> • All travellers arriving into the UK will need to isolate and get a PCR test by 'day two' after arrival. They may end their isolation once they receive a negative result. If the result is positive, they should continue to isolate and follow rules on isolation following a positive test. Unvaccinated arrivals aged over 18 will follow the existing, more onerous, testing and isolation regime. • All red list arrivals will enter quarantine. 	<p>MED</p>	<p>All staff</p> <p>14.12.2021</p>
<p>Infection Control: Admitting children into school</p>	<p>Pupils Staff</p>	<ul style="list-style-type: none"> • In most cases, parents and carers will agree that a pupil with symptoms should not attend the school, given the potential risk to others. If a parent or carer insists on a pupil attending your school, you can take the decision to refuse the pupil if, in your reasonable judgement, it is necessary to protect other pupils and staff from possible infection with COVID-19. • Your decision would need to be carefully considered in light of all the circumstances and current United Kingdom Health Security Agency (UKHSA) or Local Public Health advice. 	<p>MED</p>	<p>Clear communication on symptoms and expectations regarding illness and procedures if children are unwell</p> <p>All staff</p> <p>14.12.21</p>
<p>Infection Control: CEV children</p>	<p>Pupils Staff</p>	<ul style="list-style-type: none"> • All CEV children should attend their education setting unless they are one of the very small number of children under paediatric or other specialist care who have been advised by their GP or clinician not to attend 	<p>MED</p>	<p>Close liaison with parents of CEV children</p> <p>JD / Vice Principal</p> <p>All staff</p> <p>Ongoing</p>

Infection Control: Admitting people into school	Pupils Staff	<ul style="list-style-type: none"> • Pupils, staff and other adults should not come into school if they have symptoms, have had a positive test result or have been instructed to quarantine. • Anyone, including staff or pupils, within the school who appear to have COVID-19 symptoms are sent home, advised to avoid using public transport and, wherever possible, be collected by a member of their family or household and to follow current United Kingdom Health Security Agency (UKHSA) and Local Public Health advice. • In the case of a pupil awaiting collection, they should be taken to a room away from other pupils and supervised. • If the member of staff is in close contact with the child, then they should wear appropriate PPE. • A window should be opened for fresh air ventilation if possible. • Any rooms that have been used for this purpose should be cleaned after they have left. • As with anyone within the household, staff, pupils/ siblings should follow the UKHSA guidance for households with possible or confirmed COVID-19 infection. 	MED	<p>Clear communication on symptoms and expectations regarding illness and procedures on attendance at school</p> <p>JD / Vice Principal / NS (Site Manager)</p> <p>All staff</p> <p>14.12.21</p>
Infection Control: Staff CEV	Staff	<ul style="list-style-type: none"> • CEV people are no longer advised to shield but may wish to take extra precautions to protect themselves and to follow the practical steps set out in the CEV guidance to minimise their risk of exposure to the virus. • The government is no longer advising people to work from home if they can. • The school will follow DHSC updated guidance. 	MED	<p>School staff to follow updated DFE guidance</p> <p>JD / Vice Principal</p> <p>All staff</p> <p>Ongoing 20.01.2022</p>
Financial risk: Educational visits	Pupils Staff	<ul style="list-style-type: none"> • If booking new visits ensure that the school have adequate financial protection in place • From the start of the Autumn school term you can go on international visits. • You should be aware that the travel list (and broader international travel policy) is subject to change and green list countries may be moved into amber or red. • The travel lists may change during a visit and you must comply with international travel legislation and should have contingency plans in place to account for these changes. • The school should have a contingency plan in place to account for any changes in the government travel list • Full risk assessments must be undertaken. 	MED	<p>Off-site educational visits kept to a minimum during Autumn term</p> <p>JD / Vice Principal</p> <p>All staff</p> <p>Autumn 2021 onwards</p>
Infection Control:	Pupils	<ul style="list-style-type: none"> • Consideration should be given to the latest government advice regarding the specific activity being undertaken and venue visited 	MED	<p>Clear communication on symptoms and expectations regarding</p>

Wraparound care		<ul style="list-style-type: none"> • Pupils should be encouraged to attend settings close to where they live or go to school, ideally within walking or cycling distance • Where they attend venues further afield they should follow latest guidance https://www.gov.uk/guidance/coronavirus-covid-19-safer-travel-guidance-for-passengers • Wraparound childcare providers can offer provision to all children, without restriction on the reasons for which they may attend. • Wraparound childcare and other organised activities for pupils may take place in groups of any number. • You should ensure that key contractors are aware of your setting's control measures and ways of working. • Ensure you have enough staff available to meet the required ratio 		illness and procedures if children are unwell All staff 20.01.2022
Mandatory Certification	Students Staff Visitors	<ul style="list-style-type: none"> • Schools are not required to use the NHS COVID Pass. From 27 January, mandatory certification is no longer in place and so venues and events are not required by law to use the NHS COVID Pass as a condition of entry, but some may do so voluntarily. Further information on this is available: Using your NHS COVID Pass for travel abroad and at venues and settings in England - GOV.UK (www.gov.uk) • Where applicable, schools should follow guidance on mandatory certification for events. • Under 18s are exempt from showing their COVID Status but should be counted towards attendance thresholds <ul style="list-style-type: none"> • You should not use the NHS COVID Pass as a condition of entry for education or related activities such as exams, teaching, extra-curricular activities or any other day-to-day activities that are part of education or training. 	MED	All staff 20.01.2022
Wraparound care	Pupils	<ul style="list-style-type: none"> • Ensure the provider is following the relevant after-school clubs guidance to reduce the risk of infection https://www.gov.uk/government/publications/protective-measures-for-holiday-or-after-school-clubs-and-other-out-of-school-settings-for-children-during-the-coronavirus-covid-19-outbreak. • Consideration should be given to the latest government advice regarding the specific activity being undertaken and venue visited. • Children should be encouraged to attend settings close to where they live or go to school, ideally within walking or cycling distance. • Where they attend venues further afield, they should follow latest guidance https://www.gov.uk/guidance/coronavirus-covid-19-safer-travel-guidance-for-passengers • Wraparound childcare providers can offer provision to all children, without restriction on the reasons for which they may attend. 	MED	All staff 20.01.2022

		<ul style="list-style-type: none"> • Wraparound childcare and other organised activities for children may take place in groups of any number. • You should ensure that key contractors are aware of your setting's control measures and ways of working. <ul style="list-style-type: none"> • Ensure you have enough staff available to meet the required ratio. 		
Performances	Staff Pupils Others	<ul style="list-style-type: none"> • Consider carrying out performances on Zoom where possible. • If it is not possible, limit the number of attendees (one parent per child, year groups etc.) Audience to be socially distanced and wear face masks throughout the performance. • Keep venue well ventilated. • Hand sanitiser to be available and parents actively encouraged to use. • Frequent cleaning of touch points. • Encourage parents to carry out a Lateral Flow Test before attending. 	MED	All staff 20.01.2022
Out of school settings Parents attendance	Pupils Parents Staff Others	<ul style="list-style-type: none"> • Ensure the provider is following the relevant after-school clubs guidance to reduce the risk of infection https://www.gov.uk/government/publications/protective-measures-for-holiday-or-after-school-clubs-and-other-out-of-school-settings-for-children-during-the-coronavirus-covid-19-outbreak. • Parents are no longer limited to specific number attendance. • Ensure up to date contact information is available in the event of an emergency. • Keep a record of where and when your child attends a setting to help NHS Test and Trace identify contacts. Out of school settings will not be expected to undertake contact tracing. • Individuals are not required to self-isolate if they are a close contact of someone with COVID-19 (unless they have been identified as a close contact of a suspected or confirmed case of the Omicron variant, irrespective of vaccination status and age) if they are fully vaccinated, below the age of 18 years and 6 months, taking part in an approved COVID-19 vaccine trial or are unable to get vaccinated for medical reasons. Instead they will be advised to follow the Stay at Home Guidance. Stay at home: guidance for households with possible or confirmed coronavirus (COVID-19) infection - GOV.UK (www.gov.uk) • They will not need to wear a face covering within the setting. • Check with the provider that they are following the relevant guidance to reduce the risk of infection. <ul style="list-style-type: none"> • If the number of positive cases substantially increases, please refer to the Outbreak Management Plan. 	MED	All staff 20.01.2022

<p>Infection Control: Out of school settings Parents attendance</p>	<p>Pupils Parents Staff Others</p>	<ul style="list-style-type: none"> • Parents are no longer limited to specific number attendance. • Ensure up to date contact information is available in the event of an emergency. • Keep a record of where and when your child attends a setting to help NHS Test and Trace identify contacts. Out of school settings will not be expected to undertake contact tracing. • Individuals are not required to self-isolate if they are a close contact of someone with COVID-19 if they are fully vaccinated, below the age of 18 years and 6 months, taking part in an approved COVID-19 vaccine trial or are unable to get vaccinated for medical reasons. Instead they will be advised to take a PCR test. They will not need to wear a face covering within the setting. • Check with the provider that they are following the relevant guidance to reduce the risk of infection. • If the number of positive cases substantially increases, please refer to the Outbreak Management Plan. 	<p>MED</p>	<p>JD / Vice Principal / NS (Site Manager)</p> <p>All staff</p> <p>03.09.2021</p>
